## **Stonebridge Bank Announces Elaine Leggett as Manager of New Cash Management Department**

West Chester, PA – May 14, 2007 –

Elaine Leggett, Vice President of Commercial Banking, has been named Manager of the Bank's newly formed Cash Management Department.

Leggett will be responsible for product development, sales to existing and prospective business customers, product training and management of department personnel.

Jim Kirkpatrick, Executive Vice President and Chief Lending Officer of Stonebridge Bank states, “Stonebridge Bank has committed valuable resources to the development of a Cash Management offering that is competitive in the market and designed to meet our Business Customer’s deposit needs. Elaine brings sales, management and product development expertise that will make this initiative a success.”

Stonebridge Bank's Cash Management Department provides a number of deposit-related products including the Sweep Investment Accounts, Remote Data Capture, ACH/Wire Transfer, VISA Business Cards, and Merchant Credit Card Services. These products are all designed to streamline cash flow efforts, save time and assist our business clients in making the most of their business funds. Our goal is to continue to lead the banking and financial services markets to offer the customer more enhanced security, convenience and flexibility with their business banking.
